IS SHE OR ISN'T SHE?
Avril Lavigne has a new band . . . on her hand. Last week the 20-year-old pop star showed off a large ring to a friend in Bel Air (far left) and to partygoers at the Spider Club (center), leading to speculation that she is engaged to Sum 41's **Deryck Whibley**. The couple started dating this summer, but reps aren't talking. A friend of the pair laughs and says, "They're probably just messing around."
