### IS PINK WITH LEE?

Rumors linking **Pink**, 24, and **Tommy Lee**, 41, have been greatly exaggerated — or so says Pink. The two rockers were recently spotted locking lips at the Avalon nightclub in NYC, but Pink tells Hot Stuff that “it was totally innocent.” Indeed, three days later her boyfriend, Motocross biker **Carey Hart**, 28, was by her side at the American Music Awards rehearsals in L.A. But he was nowhere to be seen at the *Blender* and *Stuff* after-party, where Pink dirty-danced with her assistant, Laura Wilson, and **Avril Lavigne**, 19. Later, she was at it again, this time with *That '70s Show* star **Wilmer Valderrama**. “And I mean *serious* dirty dancing,” says a witness. “We’re talking bumping and grinding.”

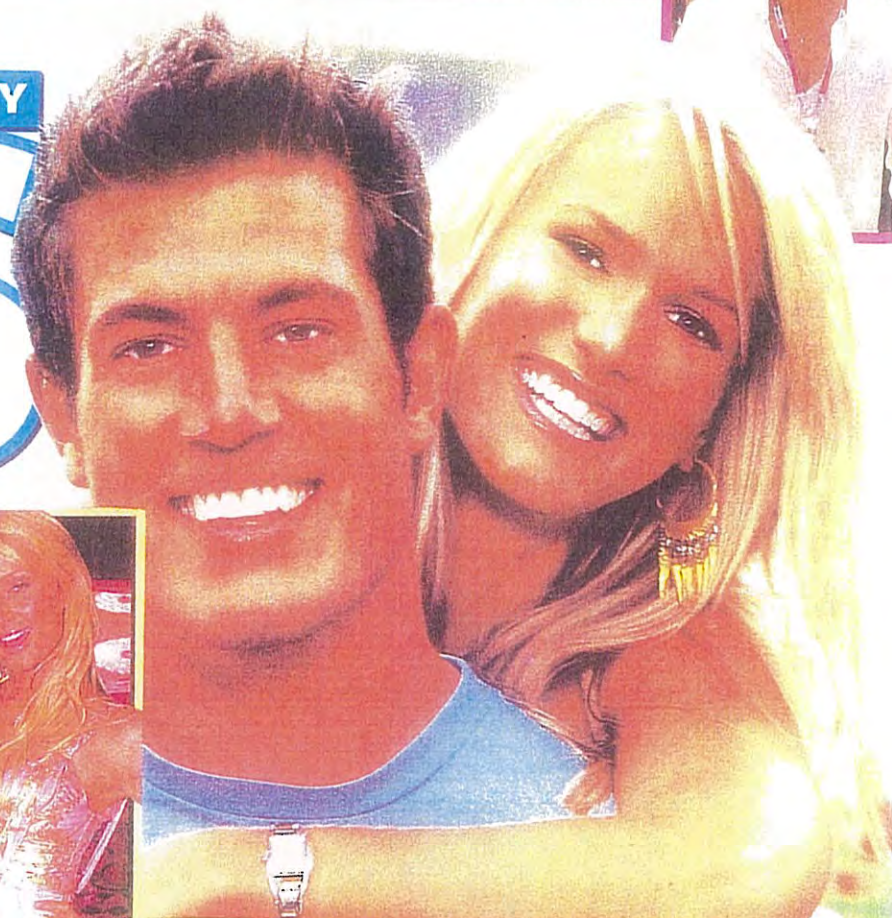

Pink maintains she's “only friends” with Tommy Lee.

## HOW TO GET IN!

A pro helps *Us* get past the velvet rope

- Leave the bouncer alone! "Don't bother the door people!" says Allison Melnick, who has worked the door at exclusive clubs like Concorde for 16 years. "Be patient. Sometimes you'll get lucky."
- Bring your wallet! "Book tables in advance," Melnick advises. "If the club sees that you want to spend money and contribute to the bar, you'll get in."
- Guys' guide to dressing: "No matter how hot it is, don't wear shorts," she warns. "Try a Gucci button-down with jeans and a pair of vintage Nikes."
- Girls' guide to dressing: "Lose the stripper outfits! Go for a lacy camisole, great jeans and a pair of stilettos," she suggests. "And no Juicy sweatpants, please!"

Mischa Barton "lives at the Spider Club," a source tells *Us*.
