GNARLY, DUDE!

THE PARTY: Disco soul duo Gnarl's Barkley's VIP post-show bash **THE VENUE:** Target's Red Room at Avalon Hollywood **THE PLAYERS:** Gnarl's masterminds Cee-Lo and Danger Mouse, as well as Adam Levine and his Maroon 5 cohorts, Brandon Boyd, Eva Mendes, Michelle Trachtenberg **THE DRESS CODE:** Rocker-chic was at a minimum, as the heat kept everyone in laid-back Ts and tanks **THE SCANDAL:** Despite rumors that she cheated on her ex-boyfriend (*X-Men* star Shawn Ashmore), Trachtenberg had no qualms about cozying up to her new beau, Fall Out Boy bassist Pete Wentz **BEST IN SHOW:** Cee-Lo's signature antics: Who else would be crazy enough to perform the song *Crazy* in a full-on *Grease*-inspired costume (poodle skirt and all)? —SARA LERNER
